

Mont-Saint-Pierre Community Development Fund

Greetings,

You are getting this letter because you have, like I do, a link with our village of Mont-Saint-Pierre.

I would like to solicit your help for the « Mont-Saint-Pierre Community Development Fund », which you probably already know of. If you don't, I have attached the different ways that you can get in touch with us.

Started in 2007, the Fund's capital now sits at 18000.00\$ and it is our hope to double it by the end of this year thanks to your donations.

You will automatically get a tax deduction for any amount of 20\$ or more.

Mont-Saint-Pierre's development plan has been unanimously accepted by its citizens; it is a wonderful endeavor that needs to be fulfilled.

On behalf of our village and its development, thank you in advance.

Robert Coulombe, Founder of the Fund
